Assess the session using the SII Method of Assessment

Strengths (including why)

MOTIVATING - This was compelling retrospective of 20+ years work by a highly successful PE educator who has had a profound influence on others in his local community as well as a two national networks (POGIL and Academy). Analogous achievements are within reach of nearly everyone in the audience, if only we put our minds/hearts to it, proactively reach out to others to join

Areas for Improvement (including how)

SEEDING - Have some of Dave's materials out on the lunch tables for the audience to peruse ahead of time, including a short set of key reflection questions that he encountered along the way. POST PROCESSING - Ask attendees to take 2-3 minutes at the end to write down a couple of points about Dave's secret sauce that they can apply in their own context as an academic leader

Insight (including significance)

We need to create a hall of fame area on the Academy website to share Dave's achievements/secret sauce. In the follow-up to the 25th Anniversary Issue we need to feature personal stories like this above and beyond institutional case studies.
