

Closing Session (at Myers Center Auditorium)

Takeaways and Lessons Learned, facilitated by Dr. Tris Utschig

Session attendees (18)

The session started by Dr. Tris Utschig thanking the audience and presenters for participation. He also thanked President Skinner, Dean Virgil Cox, faculty, and staff of Gaston College for hosting the conference. Dr. Tris Utschig then asked the attendees to go online and assess the conference, using the pre-prepared quality index questionnaire on Survey Monkey website. During this time, he also asked the audience to:

- Reflect on moving forward based on the conference experience
- Make final contacts with colleagues present
- Share some of their reflections

The shared reflections were all positive comments and were related to:

- Constructing Rubrics workshop
- Life Enrichment Domain: Learning Skills workshop
- Team building software workshop
- Both Plenary Speakers together bringing needed perspectives
- Dr. Bonnie Mullinix – Plenary: *Measuring up to Learning Expectations: Rubrics as a Guide To Learning*
- Overall Conference energy level and enthusiasm
